Provided always that the qualifications, experience, skill and ability of the auxiliary employee to perform the work in question is equal to that of an external applicant, the auxiliary employee shall receive preference.
- (ii) Auxiliary employees who have completed their probationary period shall have seniority for purposes of applying for any posted position. An auxiliary employee's hours worked shall be recognized as seniority for the purposes of this Article.

### **13.03 Appraisal Period**

- (i) When a currently employed regular employee is selected to fill a vacancy posted under Article 13.01, the employee shall serve an appraisal period not exceeding six (6) calendar months in the new position. During this period the employee shall be returned to their former position (or equivalent to their former position as mutually agreed between the Employer and the Union) and pay rate without a loss in seniority in the following circumstances:

(v) Achievement of Certification

A regular employee applying for a posted vacancy who lacks the formal educational or technical certification required in the position shall not be rejected solely on that basis if the employee is judged by the Employer as having sufficient experience, skill and ability to otherwise satisfactorily perform the work in question, provided always that such employee is currently enrolled in an appropriate course of study or is in some other fashion acceptable to the Employer currently preparing to achieve the necessary certification and provided further that the employee can be expected to achieve such certification within a period of time deemed reasonable by the Employer. In such circumstances, the Employer shall consider the employee as having already achieved the required certification at the time of the promotional competition.

The employee shall compete for the vacancy on this basis and, if successful in winning the competition over other applicants on the basis of Subsection (i) or (ii) above, the employee shall be awarded the position contingent upon successful achievement of such certification with the time limit established by the Employer for that purpose. If the employee fails to achieve such certification within this period, the employee shall revert to their former position.

(vi) Relief Assignments

Within each section of each department and including all positions within the below designated pay groups the Supervisor shall maintain a list of regular employees willing to act in relief assignments predictably in excess of five (5) continuous work days yet of less than three (3) months' duration.

The question of whether such disclosure is prohibited by law may be referred to an arbitrator for a binding decision.

### **13.07 On the Job Training**

- (i) When, in the Employer's opinion, operational requirements both warrant and permit and when it is practical from a financial perspective to do so, the Employer shall endeavour to provide on-the-job training to employees within their own functional work units during normal working hours. The purpose of this training shall be primarily to maximize flexibility when assigning day-to-day work within that work unit and/or department and/or section and, secondly, to provide enhanced opportunity for employees to advance within their own departments as permanent vacancies occur therein.

## LETTER OF UNDERSTANDING NO. 1

BETWEEN

**THE VICTORIA / ESQUIMALT POLICE BOARD**  
(hereinafter referred to as the “Employer”)

AND

**THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL NO. 50**  
(hereinafter referred to as the “Union”)

### **Grandparent Provisions – Sick Leave Payout and Sick Leave Accrual**

#### **Article 1: Preamble**

- 1.1 This letter of Understanding establishes “*grandparent*” provisions for sick leave payout and sick leave accrual arising as a result of changes made to the sick leave language, Article 18, of the renewal Agreement that replaced the Collective Agreement which expired on December 31, 1982.
- 1.2 This Letter of Understanding is attached to and forms part of the current Collective Agreement between the Parties.
- 1.3 Regular employees not actively employed or on the recall list on April 6, 1984, as defined in Section 2.1 below; or regular employees hired after April 6, 1984, shall not be eligible for any benefits under this Letter of Understanding.
- 1.4 “Twenty-six (26) weeks” wherever mentioned below, shall be interpreted as the number of working days or shifts in a calendar period of time of twenty-six (26) weeks, or six (6) months or one-half (½) a year.

#### **Article 2, Sick Leave Accrual**

- 2.1 Those regular employees who were on April 6, 1984 actively employed (including WorkSafeBC., sick leave or authorized leave), or were on the recall list and eligible for recall on that date, shall be eligible to continue to accrue sick leave pursuant to Section 2.2 below. Such employees shall not continue to accrue sick leave under Article 21.04 of the Collective Agreement.

## Letter of Understanding #1 Continued

- 2.2 Regular employees, eligible under Section 2.1 above, shall earn sick leave in accordance with Article 21.02 of the Collective Agreement. The maximum cumulative sick leave being twenty-six (26) weeks. Where an eligible employee has not taken sick leave, or only a portion thereof, to which *they* would be entitled under the schedule set out in Article 21.02, *they* shall be entitled to accrue fifty percent (50%) of such unused sick leave for *their* future benefit; it being understood that in the event of any employee attaining the maximum accumulative sick leave, such sick leave shall, nevertheless, continue to accrue as aforesaid, but in no case shall the maximum benefits to which an employee is entitled exceed twenty-six (26) weeks in any twelve (12) month period.

### Article 3, Sick Leave Payout

- I. From April 6, 1984 to December 31, 1984 Inclusive
- 3.1 For the period from April 6, 1984 up to and including December 31, 1984, regular employees who were on April 6, 1984 actively employed (including WorkSafeBC, sick leave or authorized leave), or who were on the recall list and eligible for recall on that date, shall be eligible to receive sick leave payout on the basis of Sections 3.2 through 3.4 below.
- 3.2 From April 6, 1984 to and including December 31, 1984, regular employees, eligible under Section 3.1 above, having accrued sick leave to their credit at retirement, will receive a salary grant in lieu thereof equal to seventy-five percent (75%) of such credit; PROVIDED that in no case shall the said salary grant in lieu of accrued sick leave exceed seventy-five percent (75%) of the maximum accumulative sick leave of twenty-six (26) weeks.
- 3.3 From April 6, 1984 to and including December 31, 1984, after ten (10) years' continuous service, a regular employee eligible under Section 3.1 above, whose employment terminates shall receive a salary grant equal to seventy-five percent (75%) of any accrued sick leave acquired by *them* to the date of termination; PROVIDED that in no case shall this grant exceed seventy-five percent (75%) of the maximum cumulative sick leave of twenty-six (26) weeks. This Section 3.3 shall not apply in cases where an employee is discharged for cause, or in cases of retirement which are covered by Section 3.2. Employees receiving severance pay under this Section 3.3 shall not also receive severance pay under Article 14.06 of the Collective Agreement.

## Letter of Understanding #1 Continued

- 3.4 From April 6, 1984 to and including December 31, 1984, in the event of the death of a regular employee eligible under Section 3.1 above, the Employer shall grant to the estate of such employee a sum equal to an additional six (6) weeks salary or wages computed from the date of death and calculated at the rate of pay to which *they were* entitled at the date of *their* death; PROVIDED that where such employee having a least ten (10) years' continuous service dies while in service, *their* estate shall be entitled to either the benefits paid under Section 3.3 or under this Section 3.4, whichever is greater.
- II. From December 31, 1984
- 3.4 As at the close of business on December 31, 1984, a maximum sick leave accrual level for payout purposes shall be established or "frozen" for each regular employee who was, on April 6, 1984, actively employed or on the recall list, as defined in Section 3.1, and who remained so actively employed or on the recall list on December 31, 1984.
- 2.6 The maximum sick leave accrual level for payout purposes for each regular employee covered by Section 3.5 shall be established at each such employee's actual sick leave accrual level as at the close of business on December 31, 1984, provided the maximum accrual any such employee shall have established or "frozen" is twenty-six (26) weeks.
- III. Following December 31, 1984
- 3.7 From January 1, 1985 onward, only those regular employees who had a maximum sick leave accrual level for payout purposes established or "frozen" for them on December 31, 1984, in accordance with Sections 3.5 and 3.6 above, shall be eligible to receive sick leave payout, and then, only pursuant to Section 3.8 through 3.10 below.
- 3.8 A regular employee who is eligible for a sick leave payout in accordance with Section 3.7 and who retires on or after January 1, 1985, shall be eligible to receive a salary grant of seventy-five percent (75%) of the sick leave accrual such employee actually has to *their* credit on the date of retirement; PROVIDED always that such employee shall not receive an amount which is greater than seventy-five percent (75%) of the "frozen" maximum sick leave accrual level for payout purposes established for such employee on December 31, 1984, under Sections 3.5 and 3.6 above.

## Letter of Understanding #1 Continued

In addition to the foregoing, it is clearly understood that fifteen (15) employees each calendar year shall be entitled to claim a payout of their "frozen" sick leave accrual at the seventy-five percent (75%) level as established above. The first ten (10) employees per year shall be selected in order of greatest seniority. The next five (5) employees shall be selected in order of least seniority. Should an employee who has been offered this payout opportunity decline, then such employee will have another opportunity after all other employees have had their opportunity to receive their payout.

NOTE: This provision shall come into effect during the first 3 months of the calendar year 1993 and thereafter.

- 3.9 After ten (10) years' continuous service, a regular employee who is eligible for a sick leave payout in accordance with Section 3.7 and whose employment terminates on or after January 1, 1985, shall be eligible to receive a salary grant of seventy-five percent (75%) of the sick leave accrual such employee actually has to *their* credit on the date of termination, PROVIDED always that such employee shall not receive an amount which is greater than seventy-five percent (75%) of the "frozen" maximum sick leave accrual level for payout purposes established for such employee on December 31, 1984, under Sections 3.5 and 3.6 above. This Section 3.9 shall not apply in cases where an employee is discharged for cause, or in cases of retirement which are covered under Section 3.8. Employees receiving severance pay under this Section 3.9 shall not also receive severance pay under Article 14.06 of the Collective Agreement.
- 3.10 In the event of the death on or after January 1, 1985 of a regular employee who was eligible for a sick leave payout in accordance with Section 3.7, the estate of such employee shall be eligible to receive a salary grant equivalent to an additional six (6) weeks' pay computed at the normal basic wage rate for such employees at the time of *their* death; PROVIDED that, where the employee had ten (10) years or more continuous service at the time of death, *their* estate shall be eligible to receive the greater of either a salary grant calculated on the basis of Section 3.9 above, or six (6) weeks' pay in accordance with this Section 3.10
- 3.11 The dollar (\$) value of the sick leave payout under Sections 3.8 through 3.10 above shall be calculated on the basis of the basic wage rate for such employee in effect at the time the payout is made.

**Letter of Understanding #1 Continued**

3.12 Regular employees who have had their maximum sick leave accrual level for payout purposes established or “frozen” on December 31, 1984 under Sections 3.5 and 3.6 above and who subsequently utilize part or all of such accrual because they become legitimately ill, may by working after such illness and earning additional sick leave, re-accrue sick leave for payout purposes back to the original established maximum level. The above notwithstanding, it should be understood that the maximum “frozen” sick leave accrual level for payout purposes is not guaranteed and must actually be earned and to each employee's credit at the time of payout.

IN WITNESS WHEREOF the Parties hereto have caused this Letter of Understanding to be executed on this *14<sup>th</sup>* day of *December* in the year *2022*, in the City of Victoria, Province of British Columbia.

## LETTER OF UNDERSTANDING NO. 8

BETWEEN:

**THE VICTORIA / ESQUIMALT POLICE BOARD**  
(hereinafter referred to as the "Employer")

AND:

**THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 50**  
(hereinafter referred to as the "Union")

### **Job Sharing**

The Employer and the Union agree that where an employee in the Victoria Police Department wishes to share his/her regular full-time position with another regular full-time employee in the Victoria Police Department, that such job sharing arrangements be mutually agreed upon using the following principles; PROVIDED HOWEVER, that nothing in this Letter of Understanding shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement, except as specifically provided herein;

1. **General**

- (a) Job sharing is intended to provide accommodation for employees in the Victoria Police Department with particular needs associated with such things as maternity leave, child care, family complications, health problems and, under some situations, special job related educational leaves. It is not intended to provide preferred part-time employment on behalf of employees and is clearly not a right of an employee but an accommodation that may be considered where it does not create significant operational problems, result in service delivery issues, affect the rights of other employees, significantly complicate the administration of the department or increases the costs to the police department.
- (b) Where an employee within the Victoria Police Department occupying a regular full-time position wishes to share his/her position with another regular full-time employee in the Victoria Police Department and has received formal approval from the Chief Constable or his designate and the Union, the employee(s) shall be entitled to do so in accordance with the provisions of this Letter of Understanding.

### **Letter of Understanding #8 Continued**

- (c) The number of job sharing arrangements within the civilian staff of the Victoria Police Department shall be limited to a maximum of three (3), affecting up to six (6) employees.
- (d) Employees entering into a job sharing arrangement (pairing) shall be at the same or higher pay grade and shall not originate from a position of a lower pay grade.

#### **2. Procedure**

- (a) The employee shall apply in writing to the Chief Constable and provide a copy to the Union. The employee shall indicate the reason for the request, including the hours and days of the week the employee(s) wishes to share and with whom the employee contemplates entering into a job sharing arrangement and the expected duration of the job sharing arrangement.
- (b) The employee with whom it is contemplated the position shall be shared must possess the skills, abilities and qualifications to perform the duties and responsibilities of the position to be shared.
- (c) Representatives of neither the Union nor the Employer shall convey to an applicant employee the approval or denial of a job sharing application prior to discussion between the Parties.
- (d) Where an employee's request is approved and results in an acceptable job sharing arrangement, the Chief Constable or *their* designate shall provide each affected employee with a letter covering the terms and conditions of the job sharing arrangement signed by the Employer and the Union. In such letter the Employer may set out a date when the job share arrangement is scheduled to terminate.
- (e) The regular daily and weekly hours of the position being shared shall remain unchanged as a result of the job sharing arrangement unless such hours are specifically varied by the terms and conditions of the letter referred to in paragraph 2(d) above.
- (f) Where an employee's request is denied, the Union may request a meeting with the Chief Constable or *their* designate to discuss the matter.

## **Letter of Understanding #8 Continued**

### 3. Duration

- (a) Each job sharing arrangement shall be for a minimum period of one (1) year unless varied by mutual agreement between the Employer and the Union.
- (b) A job sharing arrangement may be terminated earlier than expected by either of the employees or by the Employer, provided ninety (90) calendar days written notice has been served to the other employee and party(ies), or as otherwise provided for in the letter referred to in paragraph 2(d) above. Other employees temporarily appointed to fill positions vacated as a direct result of job sharing shall be advised at the time of their temporary appointment that their term in the position could be abbreviated as a result of an early cancellation.
- (c) Upon the expiry or termination of the job sharing arrangement, the employees shall revert to working in his/her original position on a full-time basis under the terms and conditions then applicable unless some alternate job sharing arrangement has been approved in the interim.
- (d) Upon the termination of a job sharing arrangement, should the position from which an employee originated no longer exist, then an employee so affected shall exercise bumping rights as described in Article 14.03 of the Collective Agreement.

### 4. Employee Status and Working Conditions

- (iii) An employee in a job sharing arrangement shall continue to maintain his/her original employment status during the period of time covered by the job sharing arrangement and shall accumulate seniority in accordance with the employee's scheduled hours of work in the job sharing arrangement. Such employee shall be entitled to use accumulated seniority for all applicable purposes set out in the Collective Agreement including layoff and recall.

### **Letter of Understanding #8 Continued**

- (v) The general principles with respect to wage rates, employee benefit entitlement and premium payments for employees in job sharing arrangements are as follows:
  - (i) employees shall be paid the appropriate (classified) hourly rate for all hours worked.
  - (ii) paid leave benefits, such as vacation, statutory holidays, and sick leave shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled hours bears to the full-time hours of the position being shared.
  - (iii) the employee's share of the premium payments for health and welfare benefits, such as Medical, Extended Health, Dental and Group Life, shall increase proportionately as the number of scheduled hours decrease in relation to the full-time hours of the position being shared.
  
- (vi) In accordance with the general principles outlined in paragraph 4(b) above, except as otherwise provided herein, the following shall apply to employees:
  - (i) Vacation Entitlement  
The employee's annual vacation entitlement shall be prorated according to the number of hours the employee is scheduled to work in comparison to the full-time hours of the position being shared. It is understood that the Employer shall not adjust the start date of the employee for the period of time spent in the job sharing arrangement and as such any future vacation entitlement shall not be delayed as a result of time spent in a job sharing arrangement.
  
  - (ii) Statutory Holidays  
The employee's statutory holiday entitlement and pay shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled hours bears to the full-time hours of the position being shared.

## Letter of Understanding #8 Continued

- (iii) Medical Services Plan, Dental, Extended Health and Group Life  
The employee shall pay a prorated share of the premiums for the above-noted benefits based on the proportion of the employee's scheduled hours of work compared to the full-time hours of the position being shared relative to the premiums normally paid by the Employer for a full-time employee. The employee shall pay the balance in order to maintain full coverage. (refer to attached illustration).
  
- (iv) Sick Leave  
For the period of the job sharing arrangement, the employee shall have sick leave credited on a prorated basis, calculated on the same proportionate basis as the employee's scheduled hours of work bears to the full-time hours of the position being shared.
  
- (v) Pension  
Where an employee enters into a job sharing arrangement, the employee shall be required to continue making payments toward Superannuation. The existing cost-sharing arrangement shall continue to apply on the same percentage basis applied to the reduced earnings.
  
- (vi) Compassionate Leave  
The provisions of Article 26.08 of the Collective Agreement (Compassionate Leave) shall apply to employees participating in a job sharing arrangement, EXCEPT THAT, in normal circumstances the maximum paid leave to be granted such employees is one and one-half (1 ½ ) working days.

### 5. Coverage Support

When one employee of a job sharing unit (pairing) is absent (e.g. sick leave, vacation, etc.) the other employee of that unit (pairing) shall make every reasonable effort to cover for such absence by working full-time, rather than employ a temporary replacement when full-time coverage is required by the Employer.

**Letter of Understanding #8 Continued**

6. Termination

Either party may cancel this Letter of Understanding by providing at least thirty (30) calendar days written notice to the other party. Notwithstanding such cancellation, all job sharing arrangements in effect at the time of cancellation shall continue under the individual terms agreed until terminated pursuant to the terms of this Letter of Understanding.
